**EXECUTIVE DIRECTOR'S REPORT**

The Executive Director & CEO for the South Jersey Port Corporation reports cargo tonnage for December 2017 was 417,673 s/tons; an 82% change compared to December 2016. For the year-to-year (YOY) period for 2017, total tonnage reached 4,320,184 s/tons; an 88% change compared to 2016. 2017 port activity has set a new total tonnage record, breaking the 2006 mark of 3.88 million tons. Although a large share of the increase in cargo tonnage can be attributed to the opening of the Paulsboro Marine Terminal in March 2017; most other cargoes at the Balzano, Broadway and Salem terminals have recorded increases over 2016 activity.

Breakbulk tonnage activity for December 2017 totaled 178,587 s/tons; a change of 29% compared to December 2016. For 2017, breakbulk tonnage totaled 2,332,996 s/tons; a change of 160%. Import steel slabs at the Paulsboro terminal accounted for 120,928 s/tons of the total breakbulk tons for the month. On the year, PMT has handled 1,429,959 s/tons of import steel.

Import steel products at the Balzano and Broadway Terminals finished the year handling 676,037 s/tons. Import cocoa beans tonnage finished the year with 92,626 s/tons; an improvement of 105% compared to 2016. Import wood products came in with 132,727 s/tons; which is an increase of 49% compared to 2016.

Bulk activity for December 2017 reached 239,085 s/tons; a change of 29% compared to December 2016. On the year, we collectively handled 1,987,188 s/tons of bulk cargoes; a 42% change compared to the same period in 2016. Lehigh Cement moved 222,593 s/tons of export Grancem® and 555,868 s/tons of import cement; improving 28% and 23% on the year compared to 2016. EMR/CIM exported 72,626 s/tons of recycled metals during the month of December and a total of 760,925 s/tons on the year; an improvement of 221% and 12% respectively. U.S. Concrete handled 308,829 s/tons of export sand through the Salem terminal in 2017; significantly eclipsing the 26,681 s/tons handled in 2016. We also handled 29,854 s/tons of salt in 2017. There was no salt activity in 2016.

SJPC's marine terminals handled 19 ships in December 2017 compared to 15 in December 2016. For 2017, the ship total is 276; an increase of 94 compared to 2016. The number of ship days (i.e. the number of days a ship is loading or unloading at its terminals) for the month was 60 and 723 for the year; -12% and 59% change compared to 2016 respectively.

On January 11<sup>th</sup>, SJPC hosted a meeting with representatives from Namibia, including Mr. Martin Andjaba, the Ambassador of the Republic of Namibia to the United States, to explore a Sister Port Agreement, similar to the sister port agreement being developed with Ghana. The sister port agreement would be designed to create an ongoing dialogue to enhance trade and economic development; as well as share best practices in all facets of port operations.

The report was received and filed.

**RESOLUTION 2018-1-0005: APPROVAL OF QUALIFIED ENGINEERING FIRMS FOR MARINE, CIVIL, CONSTRUCTION MANAGEMENT, GEO TECH, AND CERTIFIED DIVERS**

The Board Review Committee, comprised of Chairman Alaimo, Director Maressa and Director DeAngelo, presented the recommendation to add engineering firms to the existing 59 qualified firms for the remaining term through March 31, 2020.

Staff released a Request for Qualifications (RFQ) for Engineering Services for each of the categories of *Civil Engineer; Certified Diver; Construction Management; Geo-technical Services; and Marine Engineer*. The RFQ seeks qualification proposals from qualified engineering firms, in accordance with the terms, conditions, and specifications contained in the RFQ, to be considered pre-qualified for the opportunity to submit cost proposals for future projects. The qualification carries a term of two (2) years, commencing on March 1, 2018 and expiring on February 28, 2020.

The Board Review Committee evaluated the qualification proposals and recommended to the Board the following firms:

**RESOLUTION 2018-1-0012: INSURANCE RENEWALS – GENERAL LIABILITY, COMMERCIAL AUTO, HULL & MACHINERY, POLLUTION LIABILITY – BARGE, AND PUBLIC OFFICIALS LIABILITY / EMPLOYMENT PRACTICES LIABILITY**

Mr. John Linden with Conner Strong and Buckelew, SJPC's insurance broker, presented recommendations to renew South Jersey Port Corporation's Marine Terminal Operators General Liability / Bumbershoot Liability, Commercial Automobile, Hull & Machinery/Protection and Indemnity (P&I) - 1959 Spud Barge, Pollution Liability - 1959 Spud Barge and Public Officials and Employment Practices Liability policies for March 1, 2018.

**Marine Terminal Operators General Liability / Bumbershoot Liability:** Your current (3/1/2017 – 3/1/2018) Marine Terminal Operators General Liability / Bumbershoot Liability program provides a \$21,000,000 Occurrence / \$21,000,000 General Aggregate Limit through

National Union Fire Insurance Company of Pittsburgh, PA (\$1,000,000 Per Occurrence / \$2,000,000 Aggregate Limit), Travelers Property Casualty Company of America (\$10,000,000 part of \$20,000,000 Limit excess of \$1,000,000 Underlying), and XL Specialty Insurance Company (\$10,000,000 part of \$20,000,000 Limit excess of \$1,000,000 Underlying). The total expiring premium is \$194,251 (including TRIA and New Jersey surcharges) based on Gross Receipts of \$21,616,139.

For the 3/1/2018 – 3/1/2019 policy term, the South Jersey Port Corporation provided a Gross Receipts estimate of \$22,048,461, an increase of 2%. Conner Strong & Buckelew negotiated a renewal cost of \$191,490, which represents a premium decrease of approximately 1% (rate decrease of 3%). Conner Strong & Buckelew pursued other insurance carriers on your behalf, and the results of our marketing effort are discussed further in our proposal. Based on the options provided, and after consultation with staff, Conner Strong & Buckelew recommends that South Jersey Port Corporation renew their Marine Terminal Operators General Liability insurance coverage with National Union Fire Insurance Company of Pittsburgh, PA. For the \$20,000,000 excess of \$1,000,000 Bumbershoot Liability program, XL Specialty is unable to follow Travelers Property & Casualty Company of America's lead in offering a renewal premium less than the expiring cost. After consultation with staff, Conner Strong & Buckelew recommends renewing this coverage with Travelers Property & Casualty Company of America and replacing XL Specialty Insurance Company with Liberty Mutual Insurance Company. The coverages, terms, and conditions of both the incumbent program and the proposed alternative will remain as expiring except for a few coverage enhancements, as detailed in our proposal, under the Marine Terminal Operators General Liability Insurance coverage through National Union Fire Insurance Company of Pittsburgh, PA.

**Commercial Automobile:** Your current program with Chubb Insurance Company of New Jersey provides a \$1,000,000 Combined Single Limit. Chubb's renewal quote for the 3/1/2018 – 3/1/2019 policy term is \$84,553 (including NJ surcharges) through their Great Northern Insurance Company. We approached other insurance companies including National Fire Insurance Company of Pittsburgh, PA (AIG) and Travelers; however, Chubb continues to provide the most competitive program. Conner Strong & Buckelew recommends that South Jersey Port Corporation renew with Great Northern Insurance Company (Chubb).

**Hull & Machinery/Protection and Indemnity (P&I) - 1959 Spud Barge:** Your current program with National Union Fire Insurance Company of Pittsburgh, PA (AIG) provides a \$1,000,000 P&I limit and a Hull value of \$200,000. AIG has offered a renewal quote for the 3/1/2018 – 3/1/2019 policy term with the same terms and conditions as expiring for a premium of \$5,845 (including NJ surcharges), reflecting a flat premium. Please note that this coverage is specifically for your 1959 Spud Barge. At present, Conner Strong & Buckelew recommends that South Jersey Port Corporation renew the coverage with AIG.

**Pollution Liability - 1959 Spud Barge:** Your current program with Water Quality Insurance Syndicate (WQIS) provides a \$5,000,000 Limit for a discharge of oil or hazardous substances. WQIS' renewal quote for the 3/1/2018 – 3/1/2019 policy term is \$2,395 (including NJ surcharges), reflecting a flat premium. Please note that this coverage is specifically for your 1959 Spud Barge. Conner Strong & Buckelew recommends that South Jersey Port Corporation renew with the Water Quality Insurance Syndicate (WQIS).

**Public Officials Liability and Employment Practices Liability Insurance:** Your current program with Hiscox Insurance Company provides a \$5,000,000 Limit for Public Officials and Employment Practices Liability claims. The expiring premium is \$51,495 (including NJ surcharges). At present, Hiscox has not yet released their renewal quote for the 3/1/2018 – 3/1/2019 policy term. In order to allow South Jersey Port Corporation to receive the best terms and conditions from the marketplace, Conner Strong & Buckelew recommends extending the current policy through Hiscox by three months to expire 6/1/2018. The additional premium to extend the policy from 3/1/2018 to 6/1/2018 is \$12,982. After consultation with staff, Conner Strong & Buckelew recommends that South Jersey Port Corporation extend their Public Officials Liability and Employment Practices Liability program with Hiscox Insurance Company from 3/1/2018 to 6/1/2018.

*A motion was made to adopt Resolution 2018-1-0012 to approve the Insurance Broker's recommendations to renew the policies for Marine Terminal Operators General Liability / Bumbershoot Liability, Commercial Automobile, Hull & Machinery/Protection and Indemnity (P&I) - 1959 Spud Barge, Pollution Liability - 1959 Spud Barge and Public Officials for one year beginning March 1, 2018 and to extend the Employment Practices Liability policy to June 1, 2018.*

### INFORMATION ITEMS:

#### MARKETING REPORT - PHOENIX STRATEGIES / ARTLIP COMMUNICATIONS

Mr. Dennis Culnan, Jr. presented the Marketing Report. He advised that they are working on the 2017 Annual Report and updating the marketing kit materials.

The report was received and filed.

#### PORT SECURITY UPDATE

Mr. Jay Jones, Deputy Executive Director / Facility Security Officer, presented the Security Update.

**USCG ALERT NOTIFICATION SYSTEM EXERCISE:** On December 28, 2017, SJPC's FSO participated in an exercise of the Sector Delaware Bay Alert Warning System. The COTP Delaware Bay runs Semi Annual Alert Warning System drills. The automated system required acknowledgement, listed in the alert, by facility and vessel security officers.

**USCG DELAWARE BAY ICE EVENT INFORMATION REQUEST:** Due to the frigid cold temperatures that we experienced in early January, ice conditions in the Delaware River and Bay was affecting the safe navigation of vessels and possibly facility operations. On January 8, 2018, SJPC participated in the Sector Delaware Bay request to monitor and report ice conditions in the vicinity of the SJPC facilities.

**USCG DELAWARE RIVER DEEPENING WORKING GROUP:** Sector Delaware Bay has formed a Delaware River Deepening Working Group to gather opinions and suggestion from the local maritime community to make the process of managing the 45' foot channel operations when it comes on line later this year. The first meeting has held on Wednesday, January 24, 2018. Mr. Jones described the draft plan discussed to begin opening up the channel to deeper draft vessels, beginning with 42' draft vessels in the Red/Return lane, sometime after March 15<sup>th</sup>, and then ramp up sequentially to 43', 44' and ultimately to 45' after the October 2018 completion of the deepening project.

The report was received and filed.

### **PAULSBORO MARINE TERMINAL PROJECT UPDATE**

The Executive Director reported that CH2Mhill is developing the specifications for the construction of the two additional wharfs and the barge berth at the Paulsboro Marine Terminal. It is anticipated the Gloucester County Improvement Authority (GCIA) will release a Request for Proposals for the wharf construction in mid-February. Additionally, the GCIA will also release a Request for Proposals for Construction Management in the near term.

He reported that they are working on a proposal for an Owner Controlled Insurance Program (OCIP) for the Phase II construction program. The OCIP was very successful for the Phase 1 program. In fact, another = refund has been received from Liberty Mutual Insurance Company related to the OCIP Phase I. This is the third such receipt due to our favorable loss experience. The check was in the amount of \$386,326.95. It will be deposited into the P-3 Bond Series Account as this account was the original source of the premium payments.

To date, the Port has received a total of \$1,571,342.87 in return OCIP premiums. The record of receipts are August 2016 in the amount of \$750,000.00; August 2017 in the amount of \$435,015.92; and January 2018 in the amount of \$386,326.95.
