

Addendum #2 to SJPC-SBI-070121: Revisions to the Scope of Work - June 22, 2021

The contractor is responsible to remove and dispose of the existing security booth at the Balzano Terminal. The existing security booth at the Balzano Terminal becomes the responsibility of the contractor to remove from the project site and properly dispose of as applicable. All cost associated with this work must be included in the contractor's bid price.

The existing security booth at the Broadway Terminal shall be carefully removed from its existing location and relocated on site as directed by SJPC Security. The existing security booth at the Broadway Terminal shall remain on site and owned by SJPC to be used in the future. The contractor shall be responsible to carefully remove the existing security booth and place the existing security booth out of the traffic flow area at a location selected by SJPC Security that is in close proximity to the terminal entrance and within 300 feet of its current location. All costs associated with this work to carefully remove and relocate the existing security booth as described above shall be included in the contractor's bid price.

The contractor shall be responsible to remove all construction debris and unused materials from the project site and properly dispose as applicable. All cost associated with this work must be included in the contractor's bid price.
