ADDENDUM TO THE SPECIFICATIONS

Please disregard the Term of Contract section located on Page 5 of the Request for Proposals document as it is inaccurate. The correct terms are located in “Section 2.0 Scope of Services, Part A. Audit” (Page 17). That section reads:

The Independent Auditor will be expected to audit the financial statements for 3 calendar years beginning January 1, 2023 to December 31, 2023 and each successive year through December 31, 2025. The Corporation will retain the option to extend this agreement for an additional 2 calendar years until December 31, 2027.
