CIVIL ENGINEERING COLLEGE INTERNSHIP

The South Jersey Port Corporation (SJPC) is seeking to fill Civil Engineering College Internship positions. SJPC is an agency of the State of New Jersey, which builds, maintains and operates marine terminals in the South Jersey Port District to create economic opportunities and to enhance the region's intermodal transportation system. SJPC owns and operates the Joseph A. Balzano and Broadway Marine Terminals in the Port of Camden, the Salem Marine Terminal at the Port of Salem, and the Paulsboro Marine Terminal at the Port of Paulsboro.

The successful internship will receive an hourly compensation rate of \$22.00 - \$24.00 per hour depending on years of education.

GENERAL SUMMARY:

This position is responsible for assisting SJPC Engineering Department on a wide range of projects as needed. This position will work with experienced Engineers and a variety of staff to assist in the implementation of the capital program for design and construction. Duties may include:

- Engineering administration and design support.
- Field and office Construction Management.
- Development of engineering documents under guidance of experienced engineers.
- Support engineers and operations personnel with construction related tasks.
- Perform research, data collection, analysis and prepare reports for agency executives.
- Perform archival organization of engineering record drawings and reports in accordance with State record retention guidelines.
- Other duties as required.

MINIMUM QUALIFICATIONS:

Candidates must possess the following minimum qualifications to be considered eligible for this position:

- Candidates must currently be enrolled and working towards a bachelor's or master's degree in civil engineering or other related engineering field.
- Ability to effectively interface with all levels of personnel and management.
- Strong analytical, conceptual, communication and organizational skills.
- Working knowledge of Microsoft Suite, i.e. Word, Excel, PowerPoint, Access, and Microsoft Projects.
- Must possess or be able to obtain a Transportation Worker Identification Credential (TWIC) from the Transportation Security Administration per 33CFR105 federal regulations.
- SJPC is an Equal Employment Opportunity employer.
- Must have a valid driver's license.

SJPC does not provide housing or relocation assistance for internship/co-op positions.

Applicants interested in the position of Civil Engineering College Internship should submit a resume to careers@southjerseyport.com no later than March 31, 2026.
